Objective

Motivated and detail-oriented Java Software Developer seeking an entry-level position to apply my knowledge Of core java, Spring boot, and backend development. Passionate about building secure, scalable applications And continuously learning new technologies.

Technical Skills

- **Skills :** Java , Spring Boot, Spring Security, Spring Data JPA, Hibernate, REST APIs, Javascript
 - **Database :** MySQL
 - **Tools & Version Controls :** Git, GitHub, Postman, IntelliJ IDEA VS Code
-

Expeirence

Cognifyz Technologies – (Software Development Intern)

(1 Month)

- Developed multiple Java console-based applications including a **Number Guessing Game, Pattern Generator, And Task Management System**.
 - Implemented Core Java concepts such as **OOPs, collections, and file handling** for real-world problem-solving.
 - Build a **File Input/Output project** to store and retrieve application data efficiently.
 - Enhanced **problem-solving, debugging** and clean coding practices.
-

Projects

Hospital Management System - (Backend Spring-Boot)

- Developed backend logic using **Spring Boot** and **MySQL**.
- Implemented **Authentication** and **Authorization** using **JWT** and Designed **Role-Based Access Control (Admin, Doctor, Patient)** .
- Build modules for : **Patient Registration & Login, Appointment Booking System, Insurance Managements** and Created RESTful APIs for all system operations.
- Focused only on Backend **Business logic and Security with Globel Exception Handling**.
- **Technologies :** Java, Spring Boot, Spring Data JPA, MySQL, JWT, REST APIs

The Real-Travel – Tourism Web Application

- **User Authentication:** Implemented secure login/registration using JWT and MySQL.
 - **Payment Integration:** Integrated Razorpay for secure online payments.
 - **Email Functionality:** Set up email verification, booking requests, and payment receipts using PHPMailer.
 - **Admin Panel:** Developed robust CRUD operations for management.
 - **Technologies:** HTML, CSS, JavaScript, PHP, SQL.
-

Education

Bachelor of Computer Applications

Shivaji University, DKASC College, Ichalkaranji

March 2025

CGPA : 7.5

Higher Secondary Education (HSC)

Rajat Junior College, Hupari

March 2021

Perce: 77.50%

Certifications

- **EDUCBA:** Completed frontend project on HTML, CSS, JavaScript, and Bootstrap.
- **EDUREKA:** Attended Full Stack Web Development Program.
